

INSTRUCTIONAL CLARITY

“When promulgating your esoteric cogitations or articulating your superficial sentimentalities and amicable philosophical and psychological observations, beware of platitudinous ponderosity. Let your verbal evaporations have lucidity, intelligibility, and veracious vivacity without rodomontade or thespian bombast. Sedulously avoid all polysyllabic profundity, pompous propensity, and sophomoric vacuity.”

1. Use _____ words.
2. Give _____ instruction at a time.
3. Give _____ instructions.
4. _____ at a reasonable speed.
5. _____ whenever possible.

MY BEST IDEA . . .
